## Consent Form (Please read and sign both sections of this page)

Naturopathic medicine is the treatment and prevention of disease by natural means. Gentle, non-invasive techniques are used in order to support and stimulate the body's inherent healing capacity. Naturopathic therapies include: diet and nutritional supplements, botanical medicine, homeopathy, traditional Chinese medicine and acupuncture, naturopathic bodywork, and lifestyle counselling. Your Naturopathic Doctor will take a thorough case history, perform a physical examination as is pertinent to your case, and make recommendations based on the history, findings and assessment.

### Statement of Acknowledgement & Consent to Treatment

*I understand that Nadia Tymoshenko ND provides naturopathic care based on the practices mentioned in the previous paragraph. I understand that it is my responsibility to provide complete information of all health concerns including but not limited to: any illness/diagnosis, pregnancy, breast-feeding, and all prescription & over the counter medications I am taking. I understand that results cannot be guaranteed. As with any form of medicine, there is a potential for aggravation of symptoms or allergic reactions (i.e., to herbs or supplements). I do not expect the Naturopathic Doctor to be able to anticipate and explain all risks and complications. I understand that any questions I have will be answered by Nadia to the best of her ability.*

*I understand that a record will be kept of the health services provided to me. This record will be kept confidential and will not be released to others unless directed by me in writing or unless required by law. I understand that I am at liberty to seek or continue care from a medical doctor or other health care provider.*

*With this knowledge, I voluntarily consent to the diagnostic and therapeutic procedures mentioned above. I intend this consent to cover the entire course of treatment. I understand that I am free to withdraw my consent and to discontinue participation in these procedures any time.*

Our clinic accepts payment by cash, debit & credit card. Payment is due at each appointment. First visit is \$195 (\$160 for child 17 years old or younger & seniors age 65+), half hour follow-up visits are \$95.

Naturopathic fees are not covered by provincial health care/MSI. Most extended health insurance plans offer coverage. We provide an official receipt that you can submit for reimbursement.

If you miss or cancel an appointment without 2 business days notice, you will be responsible to pay a \$50 fee. Exceptions to this policy can be considered in emergency situations.
